

## March Chief's Report

IT work is ongoing with the addition of a plotter, website, and network improvements.

Chief Lamar presented the power point presentation to Cascade Medical, positive comments they will get back to us shortly.

Smoke detector program is going strong.

Firewise has become a major effort, with meetings schedule for this week and the 19<sup>th</sup>. Substantial grant monies are being made available and we will need to work closely with local neighborhoods to ensure compliance with all tracking requirements.

We are pursuing independent testing of fire hose and even pump testing this year to relieve volunteers of the responsibility and to put another set of "eyes" on the testing process.

Mike Malland and Ryan Holliday have both received final job offers. Mike, with East Pierce Fire and Rescue and Ryan, with Sno 1. Congrats to them both!

We will have 8 people attending the WA State Firefighter Conference in Wenatchee this June.

Both Marlene and Terri will be attending the Support division Conference this Spring.

Cary Ulrich presented his dementia workshop at the Auxiliary meeting last Wednesday.

Safety day is schedule for 28 May 2016 at Station 93 (bike helmets, car seats, Firewise, smoke detectors, Medstar, etc...)

Chief Lamar met with Spillman reps to try and resolve fire cad issues.

We are hosting the NCW Fire Chief meeting 23 March 2016 at the Old Mill Cafe.

All the annual vehicle maintenance will be finished this month.

New station combination...with a new key code policy.

Exit interview completed with the State Auditor for CCFD4. Couple of recommendations, and a very nice job by the office staff.
